

PIC/D-122-60
20 October 1960

MEMORANDUM FOR: [REDACTED]

25X1

Room 334, Administration Bldg.

SUBJECT: PIC Support of the Intelligence Community

1. Previous to the departure of [REDACTED] and The Joint Study Group on their present trip Mr. Lundahl discussed with the Group the subject, among others, of a Joint or Central Photographic Intelligence Center and PIC's present role in support of the Intelligence Community. The following items are forwarded at Mr. Lundahl's request as being of possible interest to [REDACTED] on his return.

25X1

25X1

2. Attached is a letter of appreciation from the Chairman of GMAIC for the administrative, logistical, analytical and technical support furnished by PIC in support of a USIB-directed GMAIC project. This work was done at PIC with Army and Navy participation.

3. Another item may be noted. The Air Force has requested PIC to print a triple codeword Air Force Report because there is no place else in the community where this can be accomplished.

[REDACTED]
Special Assistant to the Director
Photographic Intelligence Center
